WE ARE DOING IT AGAIN FOR THE KIDS!!

The 4th annual Superheroes ACT Classic Cruise supporting Camp Quality will be held on the 8th September 2019. This year we will be cruising from Black Mountain Tower, past some of Canberra's best-known institutions and finishing near Lake Burley Griffin for a Show and Shine.

To enter you need to raise a minimum of \$50 per car or \$25 for motorcycles the more you raise the more chance you have of being the lead car or bike for 2019!! Top 10 fundraisers will be recognized on the day.

Cars & buses over 20 years old, car clubs, any age motorcycles, exotic cars, unique and company vehicles are encouraged to enter.

The money raised goes to Camp Quality to support kids and their families who are impacted by cancer. So get your friends and family to support you in this great cause and lets raise much needed funds for these kids and their families.
